

Cancellation & Payment Policy

version: 1 | date: January 1, 2025

Payment

Payment for consultations and services is due at the time of booking. Your appointment time is reserved specifically for you. Once payment is received, your booking is confirmed.

Cancellations and Rescheduling

Life happens, and sometimes plans need to change. If you need to cancel or reschedule your appointment, please do so as soon as possible so your time can be offered to another client.

- Cancellations or reschedules made **at least 24 hours before your appointment** will be honored without penalty.
- Cancellations made **less than 24 hours in advance** or missed appointments will be **non-refundable**.
- If you are late for your session, your consultation will still end at the originally scheduled time to respect the next client's appointment.

If the practitioner must cancel due to illness or emergency, you will receive the option to **reschedule or receive a full refund**.

Late or Missed Appointments

If you miss your appointment without notice, the session will be considered a **no-show** and will not be refunded. Repeated no-shows may result in limited future booking availability.

Communication

All cancellations or changes must be made via phone, text, or through the online booking system. Messages sent through social media are not guaranteed to be

seen in time.
