

Privacy & Confidentiality Policy

version: 1 | date: January 1, 2025

Commitment to Privacy

Your privacy and confidentiality are deeply respected. All information shared during consultations—whether in person, by phone, or online—is treated as private and handled with care.

This practice is committed to protecting your personal and consumer health data in accordance with applicable privacy laws.

Information Collected

During your work with this practice, information may be collected including:

- Contact details and personal identifiers (name, email, phone number, address)
- Health history, symptoms, and current wellness concerns
- Medications, supplements, and lifestyle details
- Notes, observations, and updates made during consultations and follow-ups

This information is considered **consumer health data** and is used to support safe, appropriate, and personalized herbal and wellness recommendations.

How Your Information Is Used

Your information is used only for:

- Providing herbal consultations and wellness services
- Maintaining accurate client records
- Developing and tracking personalized protocols
- Internal learning and case study development (with identifying details removed)

Your information is never used for targeted advertising or health-based marketing.

Consent to Collect and Use Health Data

By working together, you acknowledge and consent to the collection and use of your consumer health data for the purposes described in this policy.

You may withdraw this consent at any time by contacting the practitioner. Withdrawal of consent may limit the ability to continue providing services.

Data Sharing

Your information will **not be sold, shared, or disclosed** to third parties for marketing or advertising purposes.

Information may only be shared:

- With your explicit written permission
- If required by law (such as court order or legal obligation)

If tools are used to support this practice (such as scheduling, communication, or secure storage platforms), they are used solely to operate the practice and maintain your records.

Data Storage and Protection

All client records are stored securely.

- Digital files are password-protected and stored in a private system
- Access is limited to the practitioner
- Any physical records are kept in a secure location

While reasonable care is taken, no electronic system can be guaranteed to be 100% secure.

Your Rights

You have the right to:

Access Your Data

Request a copy of the information held about you

Request Correction

Ask for updates or corrections to your information

Request Deletion

Request that your data be deleted from records

Withdraw Consent

Withdraw permission for your data to be collected or used

To make any of these requests, contact:

theoffice@sassyroots.com

Requests will be handled within a reasonable timeframe.

Limits to Confidentiality

Information may be disclosed only if:

- Required by law (such as in cases involving harm, abuse, or legal proceedings), or
 - You provide explicit written permission
-

Policy Updates

This policy may be updated as needed to reflect changes in practice or legal requirements.
